IMPORTANT INFORMATION FROM BUILDING DEPARTMENT

Please be advised that from Thursday, June 9, 2011 through Friday, June 24, 2011, the only building permits that will be issued by the Town of Fenwick Island will be for the following:

- Re-Shingle Roof
- Replace heat pumps – HVAC units
- Replace existing siding or windows
- Emergency repairs

The cost of a building permit is 3% estimate cost of such replacement.

No building permits will be issued during this time for new construction, additions, exterior structural replacements requiring structural engineering, paving or marine construction.

For further information, please contact Mr. Win Abbott, Town Manager.
